LIKE A FLOOD

Brad Kilman/Steve Hartman

Ε E/D# C#m Ε Clouds are forming New power to be released And all God's children Are dancing in the streets E/D# C#m We lift our heads to heaven And open wide our mouths We will drink deeply Of the rains You're pouring out You poured Yourself out on me Like a flood В Ε C#m Like a flood I am redeemed Ε C#m Like a flood You poured Yourself out on me В Like a flood В You come with the clouds With the sound of thunder C#m В You come with Your love Raining down You come with a shout With the sound of trumpets C#m Your salvation sounding out Ε Your truth is a rock Your love never fails And I will stand on it All of the days of my life You are the King of Kings You are the Lord of Lords C#m В Ε You know my only one heart's Desire is You
